SIROCCO

GUESTS LIVING AREAS

Designed by Omega Architects, her luxurious interior reflects an anhydrous African heritage with features such as makassar wood, natural stone, leather, marble and wooden floors, all in sultry earth tones.

Timeless styling, beautiful furnishings and sumptuous seating feature throughout her living areas to create an elegant and comfortable atmosphere.

The dining area, situated next to the saloon on the main deck, can receive 12 guests. Sirocco's impressive leisure and entertainment facilities make her the ideal charter yacht for socialising and entertaining with family and friends.
